President Ryan wants to ask Vincent question around slide 17 resource codes. There are three very important targeted sub elements, we probably could go even further to know student populations that are least served. What is the district doing in the spirit of continuous improvement to move beyond the three identified sub elements?

employee who walks with students to school as opposed to having busses.  
2<sup>nd</sup> Vice President Minnick couple of things. Thank you for clarifying the stuff around the vacant positions. Sounds like a lot of these categories were place holders for positions that we didn't necessarily have intend on filling. By taking them off the books gives us a more realistic view on our vacant positions. Page one there are a lot of Child Development positions on the list. Wants to know are those grant funded and if so what kind of grant and what's our expectation of filling that? Sees this as something that could be super painful to our early
