

Good Evening: President Cuneo, members of the Board and Superintendent Raymond

I am Sara Noguchi, and I am joined here tonight with parents, staff from Mark Hopkins and Rosa Parks

We are here tonight to ask approval of a grade configuration of Rosa Parks to a K 8 School

The impetus for this request began when parents requested that the District consider moving Rosa Parks to a K 8, during the community meeting in March.

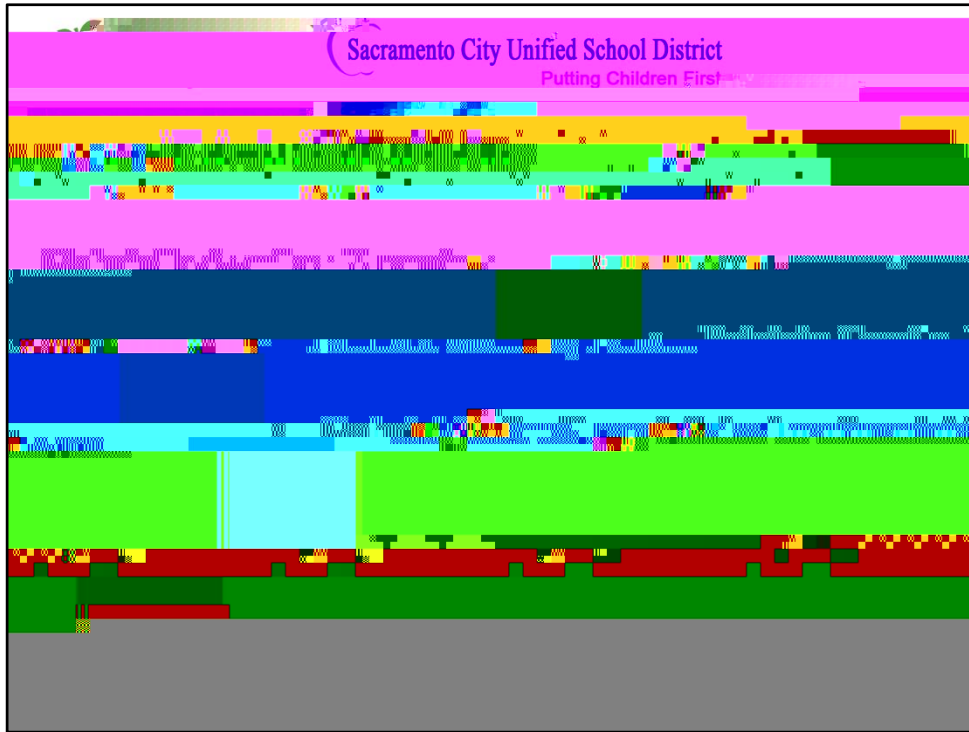

After the meeting, staff looked into the feasibility of making this change by first looking at the capacity of the Rosa Parks facility.

Rosa

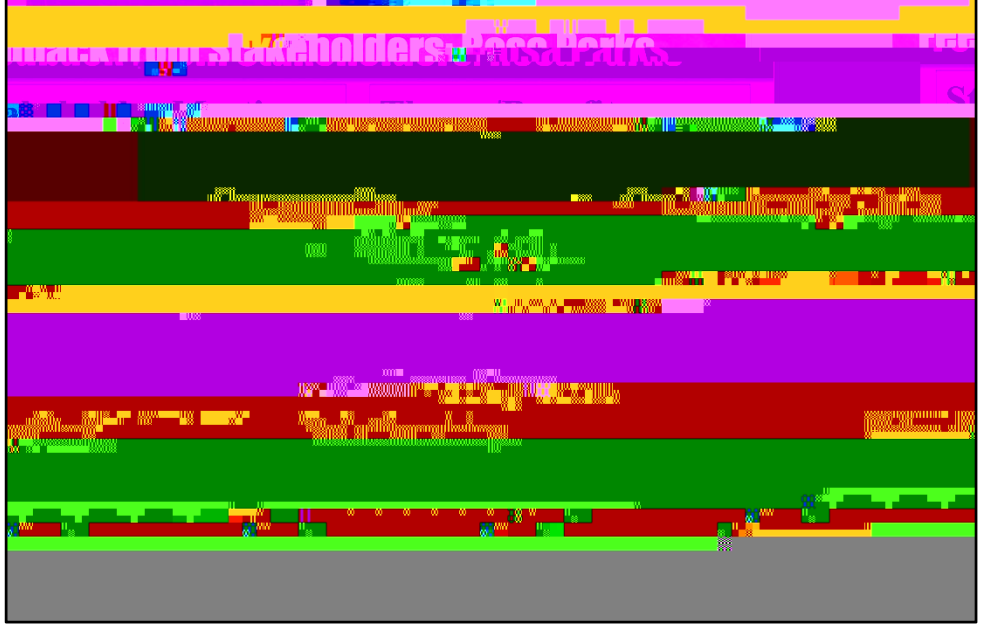

regarding the benefits of moving to a K 8 model

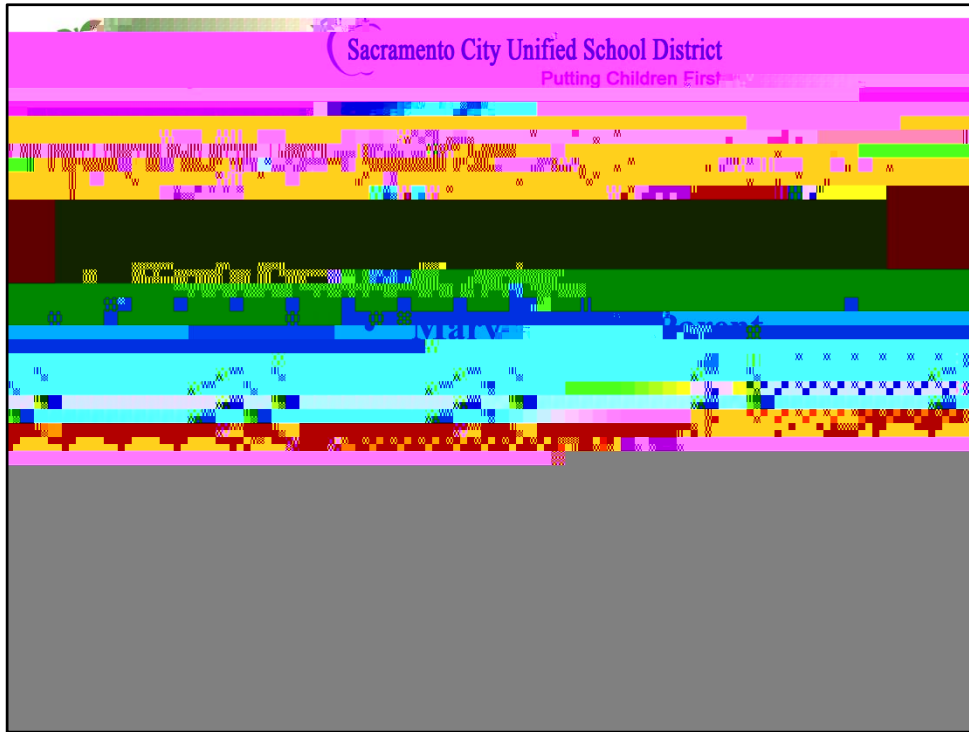

Dr. Smith Simmons

One minutes speaks to the **benefits for them and their students**

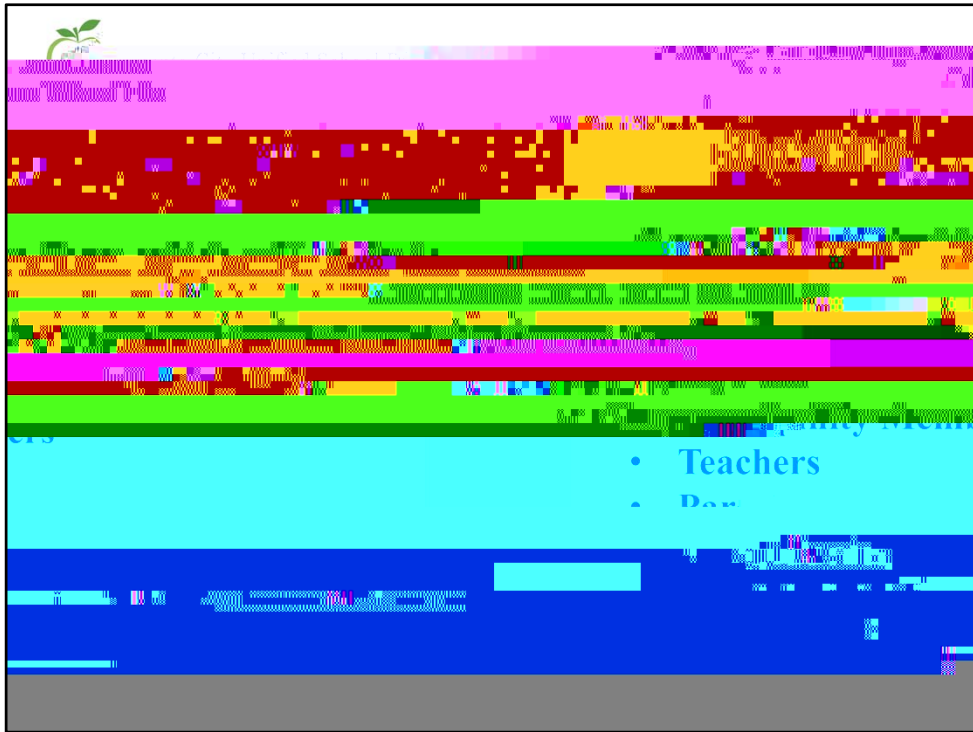

One minute each

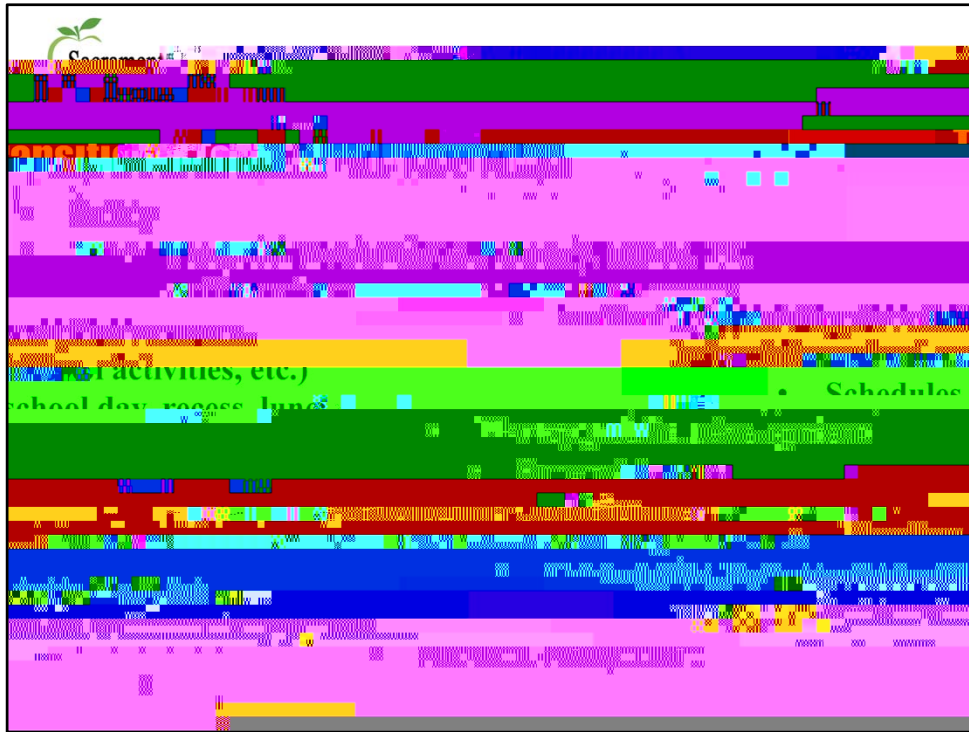

Parents outline the **benefits for them and their student in moving to the K**

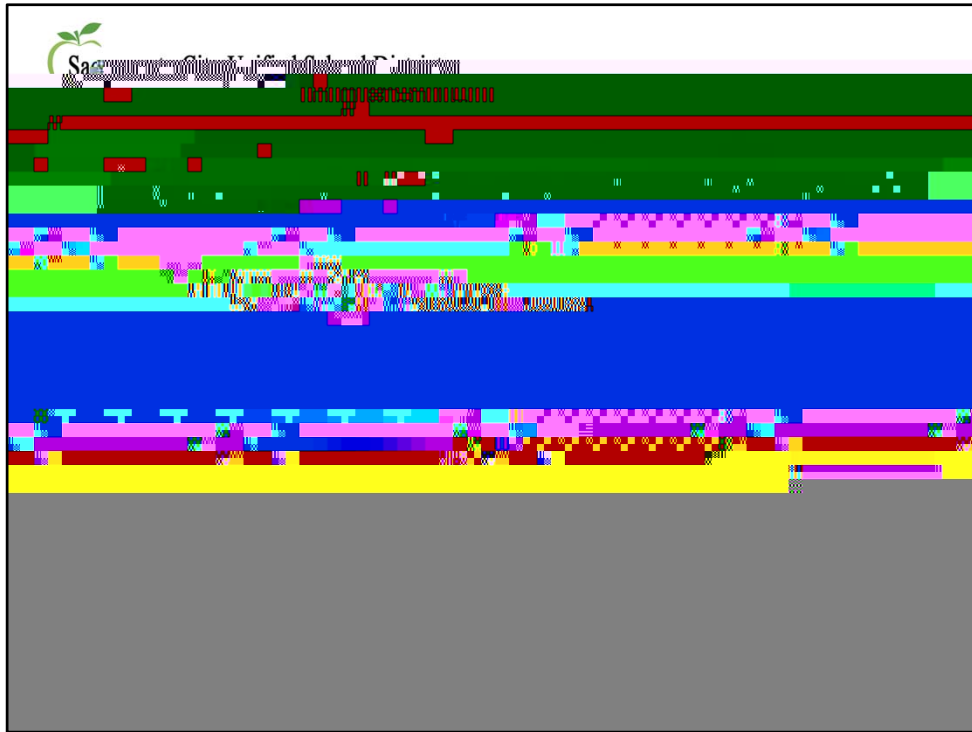

Cyndy We have been given direction to not mention the priority school status...

Outline the benefit for student, parents and staff

Working together the team will collectively decide on many topics. Topics to consider are safety. How will student enter and exit the campus, what will the protocol be for visitors on campus, considering traffic patterns, what is best regarding start and sti703Tj/TT21Tf.2322
