Public Hearing and Approval of Resolution No. 3438: Compliance with the Pupil Textbook and Instructional Materials Incentive Program

September 19, 2024

I. OVERVIEW / HISTORY

Each year, the SCUSD Board of Education holds a Public Hearing and adopts a resolution certifying that the allocation earmarked for instructional materials is expended in compliance with the Pupil Textbook and Instructional Materials Incentive Act. The resolution attests to the sufficiency of core textbooks/instructional materials for each student reviewed school sites; **as is required by the Williams Act**. Additionally, the resolution certifies that materials in each core subject are consistent with the content and cycles of the curriculum framework adopted by the State Board of Education. If insufficiencies are noted, the Board must identify the plan to remedy said insufficiencies within eight weeks from the adoption of the textbook sufficiency resolution.

The District's textbook/instructional materials ordering process for each school begins in the spring; deliveries of textbooks/instructional materials are made to schools beginning in June through September. To document sufficiency for purposes of the Pupil Textbook and Instructional Materials Incentive Act, each school is asked to complete a Textbook Sufficiency Survey. Schools must indicate whether they have sufficient textbooks/ instructional materials for each student. If there are not sufficient textbooks/instructional materials, schools are asked to note the number of textbooks/instructional materials needed and the reason for the insufficiency. The surveys are processed by the Library/Textbook Services and any needed materials ordered and are sent out to each school site.

II. DRIVING GOVERNANCE

The Board makes a determination through resolution as to whether each pupil in the district has sufficient textbooks or instructional materials in each subject consistent with the content and cycles of the curriculum framework adopted by the state board and to identify the remedy for the insufficiencies.
