Quality Assurance Monitoring Response Plan

Agency Name: Sacramento City Unified School District

Quality Assurance Review Date: 2/19/2016

- x Exit sign is missing for door used in evacuation (Elder Creek and Hiram Johnson)
- x At Elder Creek, the fire department required us to remove the exit sign above the door as it exits into a hallway.
- At Hiram Johnson the fire department inspected current signs and buildings passed inspection.
 However, a sign will be purchased for this site and placed at the exit.
- x Playground areas present undesirable and/or hazardous conditions: piled leaves and debris on the ground, play equipment has webs, standing water and leaves veneer on pillar is broken and contains jagged edges (HJ and AL)

Work orders have been placed and waiting for completion:

- Work orders placed for broken bricks and removal of shelving unit at American Legion. Licensing/facilities Specialist will follow up with orders
- 2. A hose will be purchased for American Legion. Classroom staff will spray play equipment and use a broom to 7()] TJ ET Q ae oro39 Tm [(

x Classrooms have clutter which pose as potential hazards (staff purses in unlocked bottom cabinet, items on top cabinet shelves)

x Fall zone surface in the indoor climbing equipment at HJ does not meet Consumer Product Safety Commission requirements

ITERS were completed for all classrooms.

 A mat will be ordered for Hiram Johnson that meets safety requirements

x One day supply of emergency food and water for children and staff at the center needs to be replenished(HJ)

Nurse will order a new evacuation/disaster kit with all required emergency food items. Evacuation kits will be checked quarterly by the nurse to ensure all supplies are available.

x Not all forms that require parent signatures and dates(ex. Parents rights & health history forms) are signed and dated(all sites)

Staff will be retrained on completion of forms:

- Enrollment checklist was created to ensure all forms are filled out and completed accurately
- 2. Nurse/Resource teacher will review all specific content forms prior to child starting class
- 3. Resource teacher/Coordinator will conduct random file reviews, utilizing the checklist.
- x Diaper changing station at Elder Creek is not ZLWKLQ DUP¶V sink

The changing table will be moved into the bathroom that will have a sink within $DUP\P$ reach:

- A work order will be placed to move the shelf and changing table into the bathroom
- 2. Facilities es 34 Tfp42(34 Tfp4d)-41()-47
