### Public Comment

- 9.1a - Terrence Gladney had concerns regarding District contracts with companies outside of Sacramento and would rather see local companies utilized. He spoke specifically regarding AMS.net providing CISCO support services, a company based in the Bay Area.
- 9.1b - Terrence Gladney wanted to publicly thank retiring teacher Judy Wong as she was his son's kindergarten teacher. He saw her make a positive influence in his son's and other students' educations.
- 9.1d – Mac Worthy had concerns regarding the length of contract for the new Superintendent and also District fiscal responsibility.

### Board Member Comments

- President Kennedy provided a brief explanation as to why the Superintendent's contract is now made available to the public and not prior. The contract was negotiated in conformity to the Brown Act by a negotiating committee made up of President Kennedy, Second Vice President Prichett, and Member Rodriguez. The committee met among themselves and later with Mr. Banda. The contract was then reviewed in closed session. The contract now available to the public is a result of those negotiations.

President Kennedy asked for a motion to approve the Consent Agenda. A motion was made by Vice President Woo and seconded by Second Vice President Pritchett. The Board voted unanimously to approve the Consent Agenda.

## **10.0 BOARD WORKSHOP/STRATEGIC PLAN AND OTHER INITIATIVES**

### **10.1 Facility Reuse and Repurpose Criteria Update (Cathy Allen and Mary Hardin-Young)**

**Information**

Assistant Superintendents Cathy Allen and Mary Hardin-Young gave an update on Facility Reuse and Repurpose Criteria. This included fee structure for facility repurpose and reuse. Background information was given regarding the fact that the Board appointed the 7-11 committee, which met for six months, and recommended that the seven sites reviewed not be surplus. Staff developed a proposal to lease sites which was presented on June 19, 2014. The Board at that time requested options for fees, possibly using Civic Center categories. Research was then conducted, including tours of sites to interested groups. The four categories of the Civic Center tiered payment structures were presented, as well as changes to the Education Code in 2012 that allow an increase in all categories due to refurbishment costs. Ms. Allen stressed that the Civic Center fees are based on a per use rate and would not transfer to long-term use as this would result in rates prohibitively high. Other districts that have leased closed sites were contacted, and it was found that they did not have very much success. Most uses are for additional programs, department utilization, as interim sites while regular sites are being repaired, or for charter schools. The next steps planned after receiving Board input is to receive and evaluate proposals and then provide options to the Board for review.

### Public Comment

- Judy Smith of Tao Holistics first thanked Jim Dobson for opening Fruit Ridge on a very hot day and then went on to also thank the Board for considering the proposed use of Fruit Ridge. She mentioned several outside groups interested in available sites and also

*stated that she would like to see a District presence such as independent study. She reported that she has received inquiries from all over the United States.*

### Board Member Comments

- *Member Pritchett had a question regarding the fee structures. Cathy Allen responded.*
- *Vice President Woo asked that the discounted rate not exceed the fair market value of each school's location.*
- *Member Rodriguez asked if the Board would receive a full list of criteria on which proposals would be determined before proposals are received. Cathy Allen responded. Member Rodriguez thought Ms. Allen had provided additional information at the June 19, 2014 Board meeting. Interim Superintendent Noguchi stated that the notes from that meeting will be reviewed to see if there is anything that needs to be added. Member Rodriguez requested that in the future her relevant comments be reviewed on the District website from prior meetings. She would like to see this come back with review of the comments she had made, especially regarding fee structure. She agrees with Member Woo regarding the fair market rate.*
- *Member Arroyo commented that he found the proposed fee categories to be a good starting point and asked if there would be a more specific breakdown. Cathy Allen responded that would happen once they receive the proposals. Member Arroyo expressed concern about consistent criteria being applied and identifying community benefits. He would like to come up with a system that eliminates confusion regarding the category that a specific group would fall into.*
- *Member Cuneo asked if every request would be brought to the Board regardless of staff's opinion of that request. Cathy Allen responded yes.*
-

*Committee an action item.*

- *President Kennedy also thanked the committee for their work. He then reminded the Board that the use of bond money is ultimately decided by the Board.*

*10.4 Approve 2014-2015 District Budget Update and Revision – State Budget Approval (Ken A. Forrest)*
