Approve Board Policy 7310 Naming of Facilities

December 15, 2022

I. Overview/History of Department or Program

Board Policy 7310 Naming of Facility was last adopted in 1998 and allows the Board to consider naming of facilities, or parts of facilities in honor of individuals, living or deceased, or geographical areas. The policy also calls for the appointment of a citizen advisory committee to review name suggestions and submit recommendation to the Board. The policy allows for the renaming of facilities only under extraordinary circumstances and study.

The current policy version does not take into account an alignment with the District's vision and mission in the naming process. It also does not account for culturally or historically relevant names, the honoring of the diversity within our District, or names that may reflect the educational aspirations or instructional focus of a school. Revisions to the policy include greater clarity around the appointment of a citizen advisory committee that will review and recommend possible names to the Board of Education for their consideration. Lastly, the revisions add further clarity around the ability to rename facilities as the Board deems appropriate.

II. Driving Governance:

California Education Code 35160 provides the governing board with the authority to "initiate and carry on any program, activity, or may otherwise act in any manner which is not in conflict with or inconsistent with, or preempted by, any law and which is not in conflict with the purposes for which school districts are established."

California Education Code 221.2 codifies the California Racial Mascots Act that states, "The use of racially derogatory or discriminatory school or athletic team names, mascots, or nicknames in California public schools is antithetical to the California school mission of providing an equal education to all."

The District's Core Value which states, "We recognize that our system is inequitable by design and we vigilantly work to confront and interrupt inequities that exist to level the playing field and provide opportunities for everyone to learn, grow, and reach their greatness."

III. Budget:

No budget impact.
