Sections 66001 and 66006 of the Government Code require that Sacramento City Unified School District ("School District") provide to the public information on developer fees received from new residential and commercial/industrial development to mitigate the impact of public improvements on the school facilities of the School District ("Reportable Fees"). The School District currently collects statutory school fees or "Developer Fees" pursuant to Sections 17620 et seq. of the Education Code and Sections 65995 et seq. of the Government Code.

The School District is required to provide under the Government Code the following information on Reportable Fees for the prior fiscal year:

1. Amount of fees collected
2. Amount of interest earned
3. Amounts spent on projects to accommodate additional enrollment from new residential and commercial/industrial development

Additionally, the School District is required to identify the following:

1. The proposed purposes to which Reportable Fees may be spent
2. The Reasonable Relationship between the Reportable Fees and the purpose to which they are to be spent
3. The funding sources and expected funding availability date for school facilities projects for which Reportable Fees are required

The following Annual and Five-Year Reports ("Reports") for the fiscal year ending June 30, 2020, include the information and proposed findings the School District intends to review and adopt in accordance with Sections 66001 and 66006 of the Government Code.
