Board Comments

Member Phillips asked if the District will focus on students in adversely affected areas when the County moves to red. Superintendent Aguilar said that the recommendation being made does not account for this; he said we think the measures we have put in place

well. Member Phillips said that there are trust issues with the medical profession and the school district in some particular areas also in connection with black and brown children.

sites, some of the schedules are still being considered in negotiations, and some schools may have lunch before their last class. In this case, students would be brought to outside

school students would be on the same schedule and get lunch to go home after their third period. Member Villa said she would like to look at other options since we are going toward the red zone. She hopes negotiations will be wrapped up by the end of next week.

Member Rhodes said he feels it is great that students currently at the learning hubs will be able to continue in-person five days a week. He looks forward to seeing what the City is saying about their 4th R program and how we can work with that. He asked if we are talking about \$42 million dollars between in-person instruction and expanded learning opportunity grants. Ms. Aguinaldo said that is correct as an estimate. Member Rhodes said he would support moving filter installation to April 1. He asked about lock down and

to make sure we are ready to have a special board meeting to go through the plan and to have community forum so that the parents can ask questions. She also said that, although accessing the grant dollars does not require a negotiated agreement, the working conditions of the plan sort of creates what is subject to bargaining. Therefore, she proposed having an agreement by March 15. Superintendent Aguilar said that we need all the time to make sure we implement the plan as seamlessly as possible so that we are not in the same situation we were in in the Fall. He said he can interpret a March 15 target date as something that would have to come back to the Board for an update, but he remains hopeful that this is something that can be negotiated very quickly. Member

negotiations to come to a conclusion so we can move into communicating with families

Member Garcia said she wants to make sure the “and making every effort to meet all of the above and beyond” is not a condition to reopening. Vice President Murawski clarified her motion as: reopen for phased in in-person instruction on or before April 8 making every effort to reopen earlier if possible, meeting CDC, CDPH, and Sacramento County Public Health guidelines and subject to state and local school reopening

Murawski rephrased as: reopen for phased in in-person instruction on or before April 8, making every effort to reopen earlier if possible, meeting CDC, CDPH, and Sacramento County Public Health guidelines and District Health Officer’s approval.

7.3 *Recommendations from the Parent Advisory Committee and Student Advisory Council for the Local Control Accountability Plan (LCAP) (Vincent Harris and Steven Ramirez-Fong)*

Information

LCAP Committee members LaShanya Breazell, Miguel Cordova, Maria Rodriguez, and Renee Webster Hawkins presented along with Student Advisory Council members Sara Faraj, Abby Morioka, and Isa Sheikh. They were joined by staff members Vincent Harris, Chief Continuous Improvement and Accountability Officer and Steven Fong, LCAP/SPSA Coordinator. They presented recommendations for board member feedback, informed district planning, and LCAP development.

*Public Comment:
Sarah Williams Kingsley*

Board Comments

Vice President Murawski said that the LCAP and LCFF was supposed to be a game changer yet has not changed the games yet for students. She feels it should be the

strategic document for the District. She feels the Board needs to own it and be involved in

nothing in the agreement that has a hard deadline. Dr. Hedegard said that is correct and added that there is continuously changing information. Member Garcia said her concern is that there be no additional delay, and she would like the Board to be kept in the loop. She asked when the District determines that there is not enough volunteers to do the assessments, and at what point in time is outside help sought. Dr. Hedegard said that the first step is to work with Human Resources to distribute a survey and solicit the number of volunteers. Member Garcia asked, now that we are closer to tier red, how does this proposal fit into a hybrid instructional model. Mr. Bozio said that when staff and

teachers physically return to in-person services at schools, this is not really necessary in
