be able to come back and make an assessment about what to do going forward. Member Garcia also asked what happens once the Board approves a project list and projects on the list need to be either removed or added. Mr. Hickey replied that any time a change needs to be made, he will be responsible for justifying the need for the

change. He will submit the change to Ms. Ramos and the Superintendent who will review it, then a determination will be made on if the change actually needs to be made, and then it will come to the Board for approval to renew the list.

Member Rhodes said he is in full support of approving this tool tonight.

Vice President Murawski thanked all for the work and said she would like to understand what the long-term plan is and also what can be done now. She looks forward to approving this tonight.

President Pritchett also said she is very happy to see this come to fruition.

Superintendent Aguilar added that he has asked staff to put together a

deck of slides. He feels the team has done a great job of keeping an equity lense.

Member Rhodes motioned to approve the item, and Member Villa seconded. The motion passed unanimously.
