would appreciate it. Member Singh expressed that we have a lot

of work to do, and he would like to have a discussion as quickly as possible around the mascots at Hiram Johnson. Member Singh wanted to share with the community that he knows what it is like to be in a place where you feel

this, so she doesn't know if we want to put a nice name on it, but this is something of an educational reparation. Member

Member Phillips moved to pull the requested item and approve the remainder of the consent agenda with a second from Member Jeane.

The Board voted to approve the remainder of the consent agenda with a vote of 6-0 with

Member Pritchett absent.

Member Kayatta requested to approve 13.1a except for the \$29.5 million in special education funds for non-public schools and agencies. For item 13.1j, Member Kayatta is opposed that we do not have Juneteenth as a holiday on the calendar when it is a federal
