Project Scope

The Sacramento City Unified School District is seeking Leased Dark Fiber and Leased Lit Fiber proposals to connect the designated District HUB location to our school locations and other District facilities.

Requirements

The Sacramento City Unified School District is requesting bids for construction of a fiber optic network utilizing Leased Dark or Leased Lit fiber to connect the District Hub to 16 school sites. The preferred topology for this network is a "hub and spoke" with point-to-point circuits to each school site from the designated hub site.

1. Vendor must provide only 2 strands of fiber for each site. If possible, provide a cost allocation showing that only 2 strands will be charged to the District for each fiber run.
2. Vendors must provide KMZ files for fiber runs.
3. Vendors must list longitude/latitude information for each site to certify accuracy.
4. Project must be completed within 12 months; vendor cannot begin billing for a circuit until the circuit has been completed to the District's satisfaction.
5. Ongoing Monthly Recurring Costs for Maintenance and Operations for Leased Dark fiber circuits must be specified.
6. All proposed plans should include detailed billing.
7. Provide a Return on Investment (ROI) cost comparison between Leased Dark Fiber and Leased Lit Fiber circuit options over a 20 year period assuming each Lit Fiber site is configured at a 1Gbps service for the first 5 years, increasing to 5Gbps for years 6-10, and 10Gbps for years 11-20.
8. Cost Proposal will include:
 - Costs for Services by site – See Cost Proposal (Exhibit B)
 - Include costs for both Leased Dark Fiber and Leased Lit Fiber options, as specified
9. All Leased Lit Fiber proposals must have the option to upgrade bandwidth incrementally as needed during the term of the contract if Leased Lit Fiber option is chosen.
10. All sites listed must have the option to downgrade bandwidth as needed during the term of the contract if Leased Lit Fiber option is chosen.
11. Pricing for 60 Month (Five Year) contract terms for Leased Dark Fiber and Leased Lit Fiber. Unless otherwise agreed upon, the contract start date will be July 1, 2018, contingent upon E-Rate funding. The District will have perpetual rights to use the fiber with the first right of refusal after the initial contract term is up.
12. Prices to remain firm through SLD approval, execution, and duration of the proposed contract. In the event of a price decrease for service or from the manufacturer, said decrease shall be passed on to the District and documented with new price sheet sent to the District Office.
13. All equipment/services costs must be new and included and identified separately.
14. Manufacturer must warrant all parts and equipment.
15. Vendor must be a certified reseller of parts and equipment.
