# SECOND

## RIDDLE OF THE MONTH

BY YUSRA HASSAN  
HIRAM JOHNSON HIGH SCHOOL

The month of February is the shortest of the year, it's known for Valentine's Day, Black History Month, filing taxes and more! This month we're bringing back the riddle that the answer will be at the end of the newsletter.

A man dies of **old age** on his 5th birthday, how is this possible?

Keep reading to find out!
