

**CLASS SPECIFICATIONS FOR THE
SCHOOL SOCIAL WORKER**

DEFINITION

The School Social Worker is a credentialed professional with specialized knowledge of the effect of social, cultural, ethnic and emotional forces in children which affect the learning process. One of the essential means of achieving change in the child is the use of specialized, professional social work skills.

The primary objective is the application of this specialized knowledge and competency to prevent and ameliorate school related problems. The School Social Worker provides services to children, teachers, administrators, parents and community agencies through a variety of special programs. The professional work of the School Social Worker is under the direction of the Supervisor of Psychological and School Social Work Services.

QUALIFICATIONS

Credential: Possession of a standard designated services credential with specialization in pupil personnel services authorizing service as a school social worker issued by the California Commission for Teacher Preparation and Licensing, is required.
